

## DAY 37:

# Every Member Matters

No one in the body of Christ is disposable. The lie that says “you’re not needed” is a demonic attack against God’s design. Whether seen or unseen, upfront or behind the scenes, every member is vital.

Paul reminds us in 1 Corinthians 12 that even the weaker parts are indispensable. Today, let us renounce comparison and inferiority. You belong. You matter. You carry something essential. And so does the person next to you.

### Reflection Points

1. *Do I truly believe I’m needed in the body of Christ?*
2. *Who in my church might feel unseen or undervalued?*
3. *How can I affirm the value of others around me?*

### Prayer Points

1. *Father, break every lie of insignificance from Your people.*
2. *Let every member of the Church walk in the boldness of belonging.*
3. *Raise a culture that honours every role and contribution.*

### Confession

I am vital to the body of Christ. I function with value, honour, and purpose.
