

DAY 40:

Stirring Up the Gifts

Spiritual gifts are not reserved for the pulpit. They are given to every believer for the strengthening of the body. When each member functions in their gift — healing flows, faith grows, and the Church thrives.

It's time to activate what God has placed in you. It's time to call out the gifts in others. The Spirit distributes as He wills, but the Church must make room. May we never quench what God desires to ignite.

Reflection Points

1. *Do I know the spiritual gifts God has given me?*
2. *Am I using them faithfully to build others?*
3. *How can I encourage others to step into their call?*

Prayer Points

1. *Lord, awaken every spiritual gift in me and in Your Church.*
2. *Let every gift be used in love and humility.*
3. *Release fresh grace and boldness to walk in our callings.*

Confession

My gifts are from God. I will use them to build, serve, and strengthen the body of Christ.
