

CHRONOLOGY : WEEKLY READING PLAN

You're invited on a journey with us to walk through the Bible from Genesis through Revelation. This is a little different than the Bible in a year reading (which is great!). This is a journey that will walk us through 32 key stories in the Bible that we will study in chronological order. We will do them in six movements that will take place throughout the year. So, if you get behind, you can easily catch up.
