

## CYA WORSHIP TEAM

### The Mission

CYA exists to connect young adults to the person of Jesus. At CYA we seek to understand and obey the Word of God, as **community is built** around the Word of God, and **people are developed** through the Word of God.

### The Role

Our worship team seeks to lead young adults into a reverent environment, where Jesus is encountered and glorified. It is our aim to facilitate an atmosphere through song that honors Jesus and sets the focus of young adults onto Him.
