WHO'S GLORY?

EXODUS 33:1-23

As Moses led the Israelites through the wilderness he was looked up too often to be their "savior" when they sinned against God.

If he wanted to, Moses could have easily sought his own glory. He was in a position where seeking his own glory would have been understood if not expected.

But Moses understood that true Biblical leadership requires a desire for God's glory. He understood what God's role was as well as what his role was.

This morning we will examine the pitfalls Moses could have fallen into, and the result of keeping his focus on giving God the glory.

1 KINGS

heart, and then they have seen me. Like you
before, they will all see me. You are a king, you
I have also given you what you have not asked,
both riches and honor, so that there will
not be any among the kings like you all
your days. And if you walk in My ways,
keeping My statutes and commandments,
as your father David walked, then
I will prolong your days."
