

## **LIFE GROUP QUESTIONS 1-4-26**

### **CONNECT**

Paul, in his missionary journeys, encountered many different cultures. What culture have you experienced (here or abroad) that was the most unlike your own, and what did you learn from that experience?

### **GROW**

- What stood out to you the most this week from the service, text, or message and why?
- The theme for this study is "Wake Up!" taken from 2 Thessalonians 5:6. With that said, what does a "sleeping" church/Christian look like and what does an "awake" church/Christian look like? Why is sleep so easy to fall into?
- Paul was accused to "turning the world upside down" through the Gospel message (Acts 17:6). What evidence do you see around you that the world is already upside down? What should a "right side up" marriage, financial ethic, sexual ethic, and work ethic look like and why?
- As a Christian, your calling is to reach the lost and disciple the saved. How are you seeking to do these things right now or what is currently hindering you from doing these things?

### **MULTIPLY**

What is one practical thing you can do this week to demonstrate that you are awake and on mission with Christ? How can your Life Group help you with this?
