

LIFE GROUP QUESTIONS 4-21-24

CONNECT

In this week's text, Paul shares a verse that has become one of the most familiar verses in all the Bible. With that in mind, you have 2 options, 1) have everyone share their favorite verse and why it's their favorite or 2) go around the room and see how many verses as a group you can quote from memory?

GROW

- What stood out to you the most from this week's service, text, or message and why?
- Romans 8:28 begins with the declaration that "we know". What are some other truths in the bible that "you know"? What truths are you especially leaning into right now?
- What is the image of God? How does understanding this term change how you look at these verses compared to what the world means when they quote this verse?
- Take a moment to think about the broader context. In the verses just before these Pastor Doug talked about prayer. How does your prayer life affect your outlook on vs. 28-29? The verses just after these (vs. 31-32) Talk about the example Jesus was, how do they affect how you look at these verses?
