

Sacred Harmony
Concert
Sunday, April 28 at 6p

With over 20 years in music ministry, Sacred Harmony is singing to sold out crowds and garnering attention all across the nation with their own unique sound. The Tennessee based trio has captivated crowds with their stage performance while ushering them into a place of worship through the message they deliver. Janet Weaver, Brian Scott and Therese Bellamy have taken their collective talent can combined it with numerous musical styles to create a progressive sound that is truly their own. Sacred Harmony’s music is truly “relevant” to the hearts and lives of the people they minister to night after night. Whether they are performing at sold out theatres or ministering at a small country church, Sacred Harmony continues to make fans and impact lives everywhere they go and are sure to be a group to watch on the Gospel Music Scene.
