

### Music Camp—Thank You!

Thanks to all who volunteered and helped Music Camp succeed. There was a lot of work put into the decorations, set-up, snack prep and take down. The children had a great time and enjoyed the entire experience. Special thanks to:

### Thank You! Gracias! Mercil! Danke!

In every language, I want to express my heartfelt gratitude for your many kindnesses to me. You prayed and God heard and I was comforted. You called, texted and sent cards and I felt cared for and encouraged. You brought food and I was filled both physically and spiritually. Your visits, flowers and provision of transportation all speak the most beautiful language of all...Jesus' language of love and compassion! God has been so very present and faithful...to Him be all glory and praise. May He bless you as you seek and serve Him!

**Dear GPBC Family,**

Thank you to everyone that donated items and those that donated their time to help support the Youth Ministry. With everyone's help we were able to make \$881.60 to go towards the Youth's needs.

Speaking of support, I also want to thank everyone who stayed to celebrate with me this past Sunday. I was truly and genuinely surprised!! My heart was so full of all the love and support I felt through my church family. God has truly blessed my family and I with such a wonderful church filled with beautiful God-fearing members. I have always felt supported throughout my nursing school journey within my church. On those late study nights or big nursing projects I would just pray for God to guide me in the direction he wants me to walk in. Getting the opportunity to be in people's lives through the medical field is a true blessing. You get to be there when families hear devastating news, but also when they hear the best. Getting to see miracles firsthand and being a part of Gods work is something I will never take for granted and I know God has blessed me with a gift to be there for my patients during these times.

Again, I can't thank you all enough for the outpouring of love and support. I am blessed God has put you all in my life and I am excited for what the future holds as I continue to grow in my career, education, and faith!

Thank you all, **Julia Dawson**
