

Read Ezekiel 37:1-14 out loud

Observation: What stood out in the text and the sermon this week?

Interpretation: What does the text say?

Application: How can we apply this to our lives? How can we walk this out?

Have you ever doubted God?

Are you facing a situation in life that seems impossible?

What has God shown you in your time in the Word this week?

Does anyone have a story of how God rescued them from their doubt?

Pray for one another, ask for prayer requests?

Pray God would remove the doubt and increase your faith in Him that he will accomplish His perfect will in your life, your family's life, and the lives of our church.

Pray God would stir our hearts for the lost and hurting in the Flathead Valley.

Pray for those who have shared doubt tonight in this group.  
Pray God will do something that can only be explained as it had to be GOD!
