

GREATER TOGETHER

Dear FBC Hallsville,

We are grateful to share that we have reached an important milestone, having received more than **60 percent** of the pledges committed to our Greater Together Campaign. At this stage, we are **three-fifth** of the way through the campaign and approximately two months ahead of schedule. This remarkable progress is a testimony to God's faithfulness and to your generosity and commitment to His vision for our church. Each day brings us closer to seeing that vision fulfilled, and we are filled with gratitude and anticipation for all that God will continue to do through His people.

Thank you for giving above and beyond your regular tithe to support the Greater Together Campaign. Your sacrificial giving is helping lay the foundation for future generations. We look forward to the day when we can gather together as an **Acts 2 church** where we are united across generations and worshipping under one roof. Our desire is to create a place where fellowship, worship, service, and discipleship can flourish as we continue to grow together in Christ. We're so thankful for the incredible generosity of our church family and the way you've embraced the vision God has given our church. Together, by God's grace, we are building something greater for His glory. We truly are Greater Together.

If you feel led by the Spirit to join this effort, we invite you to contact our financial secretary at iris@fbchallsville.org. Even if you are not able to participate at this time, we ask that you continue to pray for God's guidance and provision as we pursue this vision together.
