Sermon Series ~ Habits of the Household: Forming Parents

THE LIFE CENTER UPDATES

CURRENT SERMON SERIES – No matter what season or stage of life you find yourself in, everyday challenges and demands compete for our attention and distract us from our calling as parents, grandparents and mentors to lead and disciple those God has entrusted to us. How do we balance the demands of life and our greatest calling? Our current series, Habits of the Household, has us intentionally focusing on creating rhythms

and routines we can implement in our marriages, parenting and everyday lives to help us flourish in Christ! You'll be able to dive deeper into this study on Wednesday night during Midweek Flourish and/or by purchasing the book to study on your own.

MIDWEEK FLOURISH GROUPS – Midweek Groups have begin and will run until October 15th! It's never too late to join! You have two great group options to choose from this time around – Habits of the Household, which dives deeper into the Sunday sermon series going on and Undistracted, based off the new book by Bob Goff. There will also be programming for kids and youth at the same time – every Wednesday from 6:30-8pm!
