Sermon Series ~ Habits of the Household: Forming Families

THE LIFE CENTER UPDATES

SUMMER SUNDAYS - This Sunday is our final Summer Sunday service of the year under our GPS Pavilion! These services will be at our same time, 9:45am, and live streamed for our online friends. Dress for the weather and join us under the pavilion for worship! There WILL BE normal kids programming for all services!

CHURCH CARRY - IN - Bring your favorite dish to share and be sure to stick around after service this Sunday for what is sure to be some good food and even better fellowship!

CURRENT SERMON SERIES - No matter what season or stage of life you find yourself in, everyday challenges and demands compete for our attention and distract us from our calling as parents, grandparents and mentors to lead and disciple those God has entrusted to us. How do we balance the demands of life and our greatest calling? Our current series, Habits of the Household, has us intentionally focusing on creating rhythms

and routines we can implement in our marriages, parenting and everyday lives to help us flourish in Christ! You'll be able to dive deeper into this study on Wednesday night during Midweek Flourish and/or by purchasing the book to study on your own.
