

MISSIONS SPOTLIGHT

Barretts: Brazil

The Lord has been giving fruit in our ministries here. We thank the Lord for souls saved. Recently we held a baptism service with candidates from all three of our churches. What a joy to see these believers taking the next step of obedience in their walk with Christ! The new church in Santa Gertrudes continues to flourish. Almost every week, someone is trusting Christ! It is truly a one-on-one battle for souls, and we praise the Lord for the open hearts and the faithful labor of those serving there — my brother David and his family, along with other members from the Hortolândia church who are helping in this work. On Friday evenings, some of the young men from the main church get together to play soccer. Local teenagers often come by asking if they could join. My brother David saw an opportunity and turned it into an evangelistic outreach. Now, before each game, they have a brief Gospel message. So far, 18 young men have been saved! We recently started distributing flyers that include a link to a video gospel presentation, along with a phone number where people can contact us for questions or prayer requests. Several people have already gotten in touch! Please pray especially for a family whose 10-day-old baby, Ravi, is in the hospital with influenza. Also, a young man named Júlio contacted us asking for prayer for his health. As always, we are so grateful for your faithful prayers and support.
