Living Word encourages teens and adults to take next steps in their spiritual journeys. Participating in foreign mission trips or local service missions is a great way to grow your faith. This summer, students and youth leaders can apply to serve on a local week-long service mission where they will be able to grow and take steps to encounter Jesus in new ways. This informational flyer is designed to allow you to prayerfully consider how God may be leading you.

Details Inside

DATES

Monday July 6 - Friday July 10

Impacting York Week will give students a variety of opportunities to serve and encourage many different community organizations and their participants. Every capacity in which we serve - painting, hospitality needs, renovations, cleaning up - holds a unique opportunity for not only students to encounter Jesus themselves, but to shine the light of Jesus in our community. This service mission is designed to develop student leaders, encourage them to become more grounded in their faith, and to give them a unique opportunity to love others.

The cost of the trip will be \$100 per person.

Those applying must regularly attend Fusion and have a desire to grow to be more like Jesus by stepping outside their comfort zones. By applying, you agree to work under the direction of the team's leadership, make team meetings and assignments a priority, and communicate in a timely manner.
