## Preschool

### March 24th

In this series we'll travel through time and take a look at the life of Joseph. As we do, we will develop good character and learn what God wants from us in how we treat others through Micah 6:8! The Need to Knows repeat for two weeks in a row throughout this series to give kids the repetition that helps their hearts grasp these truths.

God wants me and you to OBEY Him every day! When we OBEY, it shows God how much we love Him!  
If you can OBEY GOD, let me hear you say this with me in your best PIRATE voice:

**Obey (salute) God (point up)**

**Bible Story**  
Joseph  
Obeyes God  
**Genesis**  
45-47

## LET'S PLAY AND LEARN

**Rhyme Time: TEACH** your child the following rhyme to help them remember to obey God. **SAY** each line and have your child **REPEAT** after you.

(To the tune of "Hickory Dickory Dock")  
Hickory, dickory dock.  
I love my God a lot. I will obey  
The things He says  
Hickory, dickory dock.

**"Love Being  
Kind to Others"**  
**Micah 6:8b**

## Prayer Time

Heavenly Father, I pray that we will believe that obeying you is what matters most. Give us a love for reading your Word, and show us how to obey you every day. In Jesus' name I pray. Amen.
