

PARENT CONNECTION

I'm so glad you're here to dive in with me! Let's get ready by putting on our flippers. (Everyone will pretend to put flippers on their feet) Now, let's put on our goggles. (Everyone will pretend to put on goggles) Let's all stand up and get ready to jump in! (Everyone will stand up) On the count of three, let's jump into the sea! One, two, three! (Everyone will jump up and sit back down)

Great job! As we dive in today, we'll discover that we can share Jesus! Say this with me:

Share (cup hands around mouth)

Jesus (both hands point up)

BIBLE STORY

Peter Speaks to the Crowd
Acts 2:1-41

Read the Bible Story and then ask your child the following questions:

- Did the Holy Spirit give Peter power to swim fast or share the good news of Jesus?
- How many people were baptized after Peter shared Jesus' love — 50 or 3,000?
- Can you share Jesus with others by telling them about His love?

We can all share Jesus by telling our friends that Jesus loves them and inviting them to church!

MEMORY VERSE

There's a verse in the Bible that reminds us that Jesus wants us to follow Him. Let's say this now!

"Jesus (both hands point up)
said, (cup hands around mouth)
'Come follow me.'" (walk in place)
Mark 1:17 (make book with hands)

LET'S PRAY!

Hey Jesus! Thank You for loving us!
Please help us share Your love every
day to everyone we meet. We love
You! In Your name we pray. Amen.
