EASTER CHOIR PERFORMANCE

The poster features a central image of a tomb entrance. The opening of the tomb is a bright, glowing archway. Through this arch, a landscape is visible under a dramatic sky. The sky transitions from a deep purple at the top to a bright yellow-orange near the horizon, where the sun is rising or setting. In the distance, three crosses are silhouetted against the horizon line. The tomb's interior walls are dark and textured. The overall mood is one of hope and new beginnings.
