UPCOMING EVENTS

JOIN US AT BACK TO CHURCH SUNDAY!

SEPTEMBER 21, 2025

Join us in embracing God's plan through Worship, Sunday School, Music, and activities designed for all ages. Back To Church Sunday is a nationwide movement that has brought together more than 5 million followers of Christ from 33,000 churches since 2009. We are honored to have been a part of this special event over the years.

This year's Back to Church Sunday event is designed around a "Life is Better Together" theme. Our congregational members are encouraged to invite friends and neighbors to join us and discover connection, support, and hope at Prince of Peace. Recent statistics show that loneliness is a significant concern in our society. We want everyone to know that Prince of Peace is a welcoming place to build friendships and find support in challenging times. There is not a better time to invite people to join our ministry.

Take this opportunity to reconnect with familiar faces and meet new people. After worship, everyone is invited to enjoy a delicious lunch and explore the special Sharing Gifts table that offers the many ways to get involved in church activities. There will also be games for the kids, making it a joyful celebration for all.

*Praise the LORD! Praise God in his sanctuary; praise him in his mighty heavens!
Praise him for his mighty deeds; praise him according to his excellent greatness! Psalm*

SPECIAL SUMMER MISSION

Support Children by Donating Supplies

Join us in making a difference in the lives of children by participating in our special Summer Mission! Throughout the summer, we are collecting donations of school, art, and craft supplies to ensure that kids have the resources they need to participate in educational and creative programs.

Our **Ongoing** Summer Mission for America's Youth will continue throughout August by supplying materials for their summer program activities, their after school program activities, and their effort to provide school supplies to needy students. They provide safe activities, educational programs, and community activities that emphasize positive interaction, all in an effort to reduce juvenile crime and instill positive values, character, and leadership skills. They have served low income children and their families in Nassau county since 1999 and are located at 907 So. 11th St. in Fernandina Beach. We are honored to help them with their important and impactful mission!

Thank you so much for your continuing support! Together, we can give children the tools they need to flourish. Your generosity will have a lasting impact. THANK YOU!
