****POTTER'S DAUGHTERS NEWS****

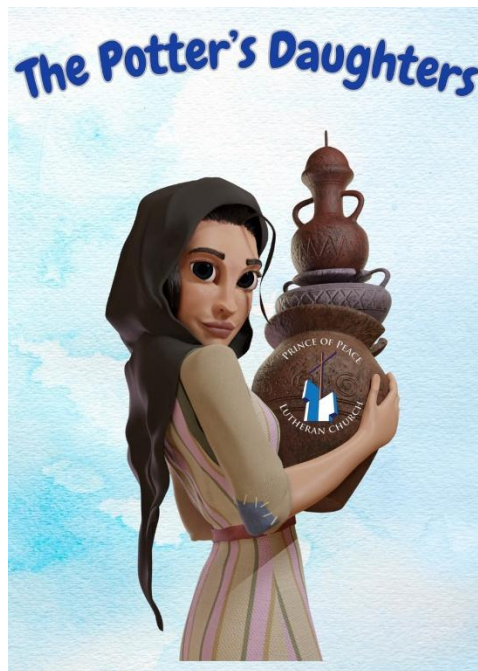

As summer warmth lingers into autumn, the start of the school year and tourism begins to slow, we, the Potter's Daughters, embrace this season of togetherness. Our journey continues with our first meeting on **Thursday, October 2nd**, inspired by our travels and the joy of Florida's long summers.

Our first gathering will be an empowering emergency preparedness program presented by Jami McCormick from our local Nassau County Emergency Management. Let's hope this preparedness remains a precautionary measure. Additionally, we will have our medical team members review CPR procedures and practical knowledge on how to effectively use an Automated External Defibrillator (AED).

We're thrilled about the numerous programs and projects we have planned for our ladies' group. Your participation will strengthen and help us grow in our fellowship together with God guiding us. We also welcome your suggestions for future programs or projects, and invite anyone in the community to come and be a part of this growing group.

As we plan some evening meetings in homes, we're updating our meeting schedule to ensure that those who work outside their homes can also attend our inspiring gatherings as the Potter's Daughters. This expansion allows us to foster connections among our Christian friends in the community as we grow in size.

We look forward to seeing you soon!

SEPTEMBER MISSION

In conjunction with Back to Church Sunday, our **September** mission will be Nassau County Coalition for the Homeless. A list of needed items will be made available in the narthex as well as a jug for monetary donations. A speaker will be here on Sunday, September 28th and more information will be in the bulletin, as well as on the website. We are excited about this mission that helps so many people in our community!

Help us make a difference!
