- 11a – Food & Fellowship

SUNDAY SCHEDULE – August 31, 2025

- 9a – Open Forum
- 10a – Sunday Worship
- 11a – Food & Fellowship

FUNERAL OF OLIVE WINCKLER The Lord called Olive to her eternal home on August 11, after suffering a fatal stroke the week prior. We thank Him for her life and for the unending peace that is now hers. A funeral service will be held on Tuesday, August 26, 2025, at 11:00a at the Valley Hills Funeral Home (607 2nd Ave, Zillah, WA 98953). A graveside committal service and meal will follow. All are welcome to attend.

YOUTH CATECHISM INSTRUCTION Usually starting around 6th grade or older, we seek to offer some in depth Bible discussion and teaching for youth looking to take more ownership of their own faith journey. This instruction usually happens in weekly hour-long sessions over several months and culminates in an opportunity for students to publicly profess their faith and be invited to receive the Lord's Supper with our congregation. In the near future, we will begin a new class with this type of instruction. If you or your child has interest, please reach out to Pastor Tim (509-820-1080) so that he may include you in the scheduling process.

SMALL GROUP MINISTRY We will soon begin another 3-month session of small-group ministry. The idea of small-group ministry is to create opportunities for small groups of people connected to our congregation to get together during the week, outside of Sunday worship, and deepen their relationships with God and each other. This will happen every other week at host homes/locations through conversation, Bible study and refreshments. If you have a willingness to host one of these groups at your home, please reach out to Pastor Tim. He will follow up with you about a schedule that works for you.

FREE MATH TUTOR One of our longtime members, Lloyd Erikson, has offered free math tutoring to any kids from church that could use some extra help. Lloyd taught middle school math for 20 years, high school math for another 20 years, and still substitute teaches in the Tri-Cities. He has most experience in teaching precalculus and below but is confident he could also help with calculus. Lloyd is willing to come to your house or meet somewhere public. If interested, please reach out to Lloyd at 509-378-7158.
