

Class Session 1 10:00am – 10:50am

Ninja Warrior/PE Skills

Ages: Kindergarten – 6th grade

Cost: \$5

Description: an action-packed, obstacle-based physical education program designed for kids to build strength, agility, balance, and confidence in a fun setting. This this class focuses on transforming physical activity into a game, encouraging children to "level up" their skills, tackle challenges, and improve their coordination through climbing, swinging, and jumping, and other team and individual sports.

Class Size: Minimum 3/ Maximum 25

PNW Volcanoes

Ages: 6th – 12th grade

Cost: \$15

Description: We will focus on hands-on, project-based learning, exploring indigenous stories, tribal lifeways, local geography (landforms, ecosystems, parks), state history, and settler exploration through maps, crafts, and videos, often integrating creative activities like art, games, handwriting, and presentations, making learning fun and relevant.

Class Size: Minimum 5/ Maximum 25

Class Session 2 11:00am – 11:50am

PNW History/Geography

Ages: Kindergarten - 6th grade

Cost: \$15

Description: We will focus on hands-on, project-based learning, exploring indigenous stories, tribal lifeways, local geography (landforms, ecosystems, parks), state history, and settler exploration through maps, crafts, and videos, often integrating creative activities like art, games, handwriting, and presentations, making learning fun and relevant.
