

## Rules given to Students

### **Rules --- Who Needs 'Em???**

Rule #1: Love one another as I have loved you.

John 15:12

Rule #2: Obey Rule #1

### **Super Six Guidelines (To help you obey rule #1)**

1. No girls in boy's cabins or boys in girl's cabins (that includes the porch). They are the only private place in camp. We will respect each other's privacy and property.
2. From evening cabin dismissal time until breakfast, no one leaves the cabin unless instructed to by an adult or-the cabin is on fire!
3. No one is allowed to leave the camp property at any time unless accompanied by a counselor and cleared with the Camp Director.
4. When going anywhere out of the central camp area, inform your counselor and take at least three people. That way if one is injured, one can stay with the injured person and the other goes for help.
5. Don't possess or use anything on the published 'What Not To Bring' list.
6. Attend all meals and meetings, no messin' around, and be modest.

## **How to Have a Great Time at Camp**

- ✓ First, make a decision to have a great time at camp!
- ✓ Decide that you want to grow this week. Whether you realize it or not, Jesus wants to teach you this weekend through the camp speakers, your counselor, your friends, God's word, worship, and lots of unexpected ways. Be ready for what he wants to give you.
- ✓ Make some new friends to care about.
- ✓ Follow the guidelines at camp. They are there for everyone's safety. If you aren't clear about a rule, it's your responsibility to ask a counselor. Don't just "assume" something is o.k.
- ✓ Spend some time alone with God. If you aren't sure how to do this, ask your counselor. God would love to meet you in a special way while you're at camp!
- ✓ Try some new activities.
