Pastor's Faith Inspiration

Today I'm making a case for church attendance. Is it because I personally want to see you in church? That's one reason. The main reason is to help you, your children, or friends or family develop loyalty to our God. Why? To see you and your children blessed of the Lord.

Job 36:11 - If they obey and serve Him, They shall spend their days in prosperity, And their years in pleasures.
