Who We Are

At Memorial Park, our vision is to Follow Jesus Together. We believe the best way to follow Jesus together is to walk alongside of each other in life groups. Life Groups are for everyone, no matter your age, stage of life, or season you find yourself in. They exist to help people find meaningful connection and genuine Christian community, because no one is meant to walk alone.

About Life Groups *An Invitation For You*

In a Life Group, you'll find a place to belong, a space where you are known, welcomed and cared for. These groups create opportunities to grow together through study, shared life, honest conversation, prayer and encouragement.

Wherever you are on your journey, Life Groups offer people to walk alongside you as you grow in faith and life together. Consider joining one of these Life Groups and experience the community and blessing that happens when we do life together.
