What We Learned

The Lord's Prayer

Children have been practicing memorizing The Lord's Prayer. We have learned about when Jesus told his disciples to pray like this.

Fruit of the Spirit Necklaces

The students enjoyed activities that have taught them how to live like Jesus by making Fruit of the Spirit necklaces.

Shhhh.....We Don't Talk About.....

During the month of March, we will be talking about Fear, Anger, Sadness and Loneliness. We will look at Biblical answers to some things that are tough for kids. Kids will also learn it is OK to talk about our struggles and our sins with God.

***When we are
weak, God is strong.***

Volunteers Needed

Volunteers are needed for assisting teachers any Sunday. We could also use any parent that would like to occasionally teach! Come join us in serving God with our children. The curriculum is provided. Please contact Amy Edmonds if interested.
