

Hello, DFM Church!

With summer in full swing, we hope you're enjoying the warmth and beauty of the season. We wanted to take a moment to extend a special invitation to you and your loved ones to include Davison Free Methodist Church in your summer plans.

We're thrilled to continue our engaging summer preaching series: **Tentmaker - Camping out in 1 Corinthians** - this Sunday at 10:30am. Throughout this unique series, we've been taking a deep into the profound teachings of the Apostle Paul as conveyed in his first letter to the Corinthians. Just as Paul was known as a tentmaker, we' metaphorically camp-out and dwell in the depths of this epistle - gaining fresh insights, inspiration, and guidance for our lives today.

Whether you've been studying the Bible for years or are new to this all of this - we hope this week offers something for everyone. It's an opportunity to draw closer to God, deepen our understanding of Jesus' mission, and forge meaningful connections with fellow believers in a supportive environment. This weekend, we'll reflect specifically on **the Lord's Supper on 1 Corinthians 11**, sharing in the communion elements and seeking God's guidance on how the cup of Christ and the bread of life impact our daily lives.

To enhance your experience, we invite you to download and utilize our DAVISONFM APP for your smartphone ([dfmchurch.org/get-the-app](https://dfmchurch.org/get-the-app)). It's a convenient tool that allows you to give, connect, and access message notes and scriptures – all in one place. If you happen to be traveling this weekend, you can still worship with us and watch the message on the DFMC APP. You may even consider inviting a friend over to join you in your camper, around the breakfast table, at the hotel, or up at your cabin. As we embark on this season of warmth and joy, may your summer be filled with God's goodness and fulfilling friendships. Remember, even if you can't join us in person, you can still contribute your financial offering through the APP.

We look forward to welcoming you, your family, and your friends to Davison Free Methodist Church this Sunday. Together, let's embrace the spiritual growth, community, and inspiration that awaits us.

Blessings,
