

Hi DFM Family and Friends,

Over the past few weeks, we have explored what it means to *find our place* in God's church — a movement that started at Pentecost and continues today.

This Sunday at **10:30 am**, we wrap up our series, *CHURCH. Finding Our Place*, with a powerful message: **"In EVERY WAY, Multiplied!"** From the very beginning, the church was never meant to stand still. The Spirit sparked a movement at Pentecost — and God has been multiplying ever since: **"And the Lord added to their number daily those who were being saved."** (*Acts 2:47*) Even in the face of fear, conflict, and persecution, the early believers discovered a paradox of the Kingdom:

- **Go down to go up.**
- **Death to life.**
- **Give to receive.**
- **Humbled to be exalted.**
- **Subtraction leads to addition.**
- **Division becomes multiplication.**

The body of Christ was broken — for us — so that we could be made whole, redeemed, and multiplied into the world as His church: *"This is my body, which is for you; do this in remembrance of me."* (1 *Corinthians 11:24*)

This Sunday, we will celebrate what God has been teaching us, and we will look ahead with **vision, faith, and expectation** for what He wants to multiply through us.
