

Hi friends,

This Sunday at Davison Free Methodist Church, we are kicking off our annual “This Is My Story” series—a time when our church family shares how Jesus is at work in their lives. Through the month of October, you will hear from a young pastor, a missionary, a community servant, and a challenging story about faith deconstruction. I love this series - because you will be surprised how God will impact your story when you listen to another’s.

I am excited to open the series by sharing some inspiring moments from my recent Prayer and Vision Trip through Europe—stories of faith, hope, and God’s movement across the nations.

This Sunday (9/28)

10:30 AM

Davison Free Methodist Church

Come ready to be encouraged and to celebrate the amazing things God is doing both here at home and around the world. Bring a friend, there is a story for everyone!

Hope to see you there,

Blessings -
