

Hi friends,

We are so excited to continue our annual **“This Is My Story”** series this Sunday at **Davison Free Methodist Church**. Each week, we get to hear how God is at work in the lives of our church family—and this week’s story is one you will not want to miss!

This Sunday at **10:30 AM**, we will welcome **Kaylee Grimshaw**, a Conference Ministerial Candidate through our church and the **Program Director at Covenant Hills Camp**. Kaylee will be sharing her powerful journey of faith—from growing up as a pastor’s kid, to wrestling with what real surrender to Jesus looks like, to discovering God’s call on her life through camp ministry.

Her story is filled with honesty, hope, and a reminder that God is faithful to pursue us, grow us, and break down the “walls” that stand in our way.
