APPLICATION PROCESS & FEE

Families who are new to Immanuel will follow an application process. This process will consist of completing an application, providing Immanuel with most recent report cards, and participating in a screening with the grade level teacher. There is a one-time, nonrefundable application fee of \$75 payable at the time of the application submittal.

REGISTRATION

Once the application process is complete and a student has been admitted, a Continuous Enrollment Form must be completed. Current ILCS families will begin with the Continuous Enrollment Form and pay a \$40 assessment fee if a screening with the grade level teacher is required. The registration fee for the 2025-2026 school year is \$300 per student for new and returning families and is due at the time of the submittal of the Continuous Enrollment Form. Should you, for any reason, decide to withdraw your child before June 1, \$100 of the fee may be refunded to you upon written request. After June 1, the entire registration fee is non-refundable. The registration fee covers the cost of textbooks, yearbook, earthquake preparedness, and our school-wide achievement testing.

SCHOOL ENHANCEMENT - SCRIP

SCRIP profit obligation per school year is \$300 per two parent family and \$200 for a single parent family. Credit is earned by purchasing SCRIP gift cards sold at Immanuel or online. The percentage attached to each specific gift card becomes the amount credited towards fulfillment of the annual obligation. If a family chooses not to participate, the total obligation will be billed to FACTS at the end of each school year. The SCRIP profit covers the cost for educational enhancement for the children. SCRIP monies are used to upgrade technology, curriculum and instruction. SCRIP accounts must be set up online by each family in order to receive credit for purchases. See our SCRIP flyer for more detailed information.

STUDENT SUPPLIES

Individual supplies (such as paper, notebooks, markers, etc.) are purchased by each student. A list with specific items for each classroom will be available each summer. Students are asked to bring these supplies with them to Roadrunner Roundup or on the first day of school. Planners (assignment books) will be provided by the school for students in Grades 3 - 6. English Standard Version (ESV) Bibles are needed by each child in grades 2 - 6 and are purchased through the school.
