

See how to earn **\$300** towards tuition or SCRIP

ILCS Referral Program

How it Works:

1.

Have a new family register their child(ren) before Sept 1st for the upcoming school year.

2.

The new family will notify our Administrative Assistant. The referral family will submit the referral form.

3.

Referral credit(s) will be awarded for each referred family that attends ILCS for the entire school year. The credits will be applied to the next years SCRIP or tuition balance.

Referred family must attend the ENTIRE school year for credit(s) to be applied.

FAQ:

1. How much credit can I receive per family?

- Each referred family is worth one \$300 credit.

2.What does the \$300 Credit go towards?

- The \$300 credit will be applied toward the following years SCRIP obligation or tuition balance.

3.Who is eligible to receive referral credits?

- Any currently attending family and staff members.

4.What if the referred family does not attend the entire year?

- No credit will be applied.

Please complete the form on back.
