GEM furthers the gospel through prayer, discipleship, and grace-filled evangelism throughout Africa. >PRAISE: Despite illnesses and other spiritual warfare blocks, our team trip to Uganda was fruitful. The Ethiopian portion needs fervent prayer as Mark will be seeking God's will and timing for GEM in this HUGE country. >... Rwanda, as the government continues to put restrictions on churches, which cause them to shut down. The latest rule is that every church must have an indoor baptismal (even though every baptism in Africa we have witnessed was in an outdoor waterway.) PRAY continually for safety and provision for the Terra Blanche area, asking the Lord to keep His loving hands around them and protect them from gangs and violence and provide the food, fuel and medical supplies they all need. > Solar Project update: The container with all the equipent shipped in June. At this moment the container is in customs at Cap Haitien. Pray with us that it would be released soon. Once the container is released, installation can begin. > Women's Conference: Thank God and thank all of those that made this happen. 150 women from 12 churches in the Upper Atribonite region of Haiti gathered for 3 days in Terre Blanche in late July to raise their voices in praise, prayers and evangelism, but were met with much more. The spiritual was melded with the physical in a wonderfully enriching program that lead 11 new believers to say "yes" to Jesus! During the conference, a free women's clinic, ultrasound screenings, and breast cancer awareness instruction was provided. Pray that God continues his work in all of those that attended this conference and causes many more to find Him. Mission Team Liason : Roberta Jones - roberta.jones01@gmail.com
