

Worship Team Service

Thank you for your interest in joining our worship team! We believe worship is a ministry first and a musical role second. Our goal is to help you discern if this is the place God is calling you to serve.

Heart First

Worship team members are first and foremost, worshipers of the triune God. We look for:

- a growing relationship with Jesus,
- a teachable and humble spirit,
- a desire to serve—not perform, and
- a commitment to unity within the team and church

As a first step, we ask that you complete this [short interest form](#). Once you have completed the form, our worship director will reach out to you to discuss our process and will ask some additional questions. As a second step, the director will ask that you **share a video** of your musical skill.

Musical Assessment

If invited to the next step in our process, we will ask you to come to a rehearsal practice to demonstrate your ability to:

- sing or play an instrument,
- learn a worship song,
- engage in basic rhythm/pitch/blending skills, and
- take/follow direction

Expectations & Team Culture

If invited to the next step in our process, our music director will review the expectations of participating on the team, including:

- ministry mission and character expectations,
- commitment to rehearsals and preparation, and
- platform/stage presence

Trial Period (8 -12 weeks)

As a next step, you may be invited to participate in a trial period with the worship team. During this period, you will:

- attend rehearsals,
- observe the team, and
- receive coaching and feedback

Final Decision & Next Steps

At the end of the trial period, we hope to welcome you to our team. If, at any point in the process, it is determined that serving on the team is not a good fit, we will recommend next steps for growth and/or explore alternative places to serve in the church.
