COMMUNION

We believe that the Lord's Supper was instituted by the Lord Jesus himself – not as a means of salvation, but as an outward sign of the salvation we have by faith. It is a divinely mandated mean by which believers publicly affirm their faith in Christ. The Lord's Supper serves as not only a vivid memorial of Jesus' bodily sacrifice and shed blood, but also as a proclamation of his death until he returns. It symbolizes the believer's union with Christ and the spiritual unity shared by every believer. It provides a powerful inducement to self-examination, should be celebrated joyfully and regularly, and is open to all who are followers of Christ.
