## Be Kind, Rewind

Do you remember this phrase? This phrase was made popular by Blockbuster Video. For the Millennials and the Generation Z people out there, let me give you some history. Long before streaming services and DVDs, if we wanted to watch a movie we had to get into our cars and drive to video rental stores like Blockbuster. Once there, we would walk up and down aisles full of VHS tapes. After picking a few, we would take them home and have a couple of days to watch them. When we finished a movie, we would have to rewind them before returning them. If we failed to rewind them we would receive a \$2 late fee. So the phrase is a warning/rule... Be Kind, Rewind.

*Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.  
Ephesians 4:32*

Kindness is quickly becoming a lost art. Kind words, kind actions and kind attitudes are rarely seen anymore. They have been replaced by rude words, selfish actions and negative attitudes. General kindness is now seen as a weakness and is taken advantage of. So I'd like to repurpose the phrase "Be Kind, Rewind". As Christians we are called to be kind. Why should we be kind in a world where it is not appreciated? Because God has been so kind to us. So the next time you have an opportunity to show kindness, STOP and REWIND to a time that God has shown kindness to you. Do you deserve the kindness of God? No, we have all sinned and stepped outside of the will of God. But God continues to show kindness to us. So when given the opportunity, "Be Kind, Rewind".

Phillip

### Sunday Life Lessons

Sunday evenings in the summer , we will have guest speakers teaching us a different life lesson through the parables Jesus taught. Bring a friend and let's learn together the way Jesus would want us to walk through this life.
