Give From Your Heart

“Well if I won I promise that I would...” How many times did you hear that over the last several weeks as the Powerball Lottery was approaching 2 billion dollars? If history teaches us anything about big jackpot winners, it shows us that winning does not build character, it exposes it. So if you have ever spent time imagining what you would do if you had millions of dollars, stop and ask yourself, “What you are doing with the blessings you have today?” We have all been blessed with time, talents and treasure. How are you spending yours? The more important question is, how are you sharing yours?

There’s a story in the bible about a widow who gave a small amount of money to the temple treasury. She was surrounded by people who were giving large sacks of gold while she quietly donated her few pennies. Her few pennies went unnoticed by everyone except Jesus. Jesus told His disciples that she put more into the treasury than all the others. If you are looking at this event while wearing your “worldly glasses” this makes no sense. But if you look at this event while wearing your “spiritual glasses” it makes all the sense in the world. God does not look at the amount that is given, He looks at the heart of the giver.

*And my God will meet all your needs according to the riches of his glory in Christ Jesus.
Philippians 4:19*

The excuse we give ourselves for not sharing more of our time, talents and treasure is that we don’t believe that we have enough to spare. Never forget that we serve a God who loves us and meets all of our needs according to the riches of His glory. That means that we have a bucket that will never be empty as long as we are sharing what we have for God’s glory. You don’t have to win the Powerball Lottery to bless others. God notices the smallest things you give when you give from your heart.
