

VERTICAL CHURCH
ST. PAUL

TECH DIRECTOR JOB DESCRIPTION

SUMMARY

Tech Director Part-Time, Hourly

The Tech Director position is central to managing all technical aspects of audio/visual production of high-impact worship services. From setting up and operating equipment to troubleshooting and ensuring smooth communication, this role demands a detail-oriented individual who loves people, is exceedingly gifted in developing volunteers, thrives in a dynamic environment, and is passionately committed to the mission of *glorifying God by making disciples of Jesus Christ*.

QUALIFICATIONS

Character: *Growing member of Vertical Church who meets the qualification of deacon in 1 Tim. 3:8-13*

Competency: *Joyfully and effectively works within the organizational structure of Vertical Church*

Cultural fit: *Embodies the values, philosophies, and culture of Vertical Church*

PRIMARY RESPONSIBILITIES

- Operate audio/visual equipment for Sunday services and events.
- Troubleshoot technical issues during services.
- Manage presentation software and multimedia content.
- Recruit, develop, and deploy highly skilled volunteers.
- Maintain equipment inventory and recommend upgrades.

COMPETENCIES

- *Team Player.* Humble, hungry, and smart. Eagerness to work as part of a team with a common mission and willingness to accept constructive feedback.
- *Adaptable.* Flexible and responsive to change, both organizationally and technologically.
- *Detail Oriented.* Exceptionally organized with a high standard of excellence.
- *Leadership.* Demonstrated ability to lead, motivate, and empower a team of volunteers to achieve ministry goals and objectives.

VERTICAL CHURCH
ST. PAUL

All staff members are expected to model flexibility and a willingness to take part in church activities and initiatives that may be outside of their normal, weekly responsibilities and to model servant leadership in their position. This job description is subject to review and revision.
