

***Gold is the Key* Research Supplement**

**Tennessee Room
Jackson Madison County Library**

Donated by: Thomas L. Aud, Jackson, Tennessee, compiler and author of the Book, *Gold is the Key. Murder, Robbery, and the Gold Rush in Jackson, Tennessee* (Dickson, Tennessee: BrayBree Publ. Co., 2012, revised 2014)

Date of donation: 2016

Processed by: Jack D. Wood, Tennessee Room Librarian

Date processed: September 2022

Scope and Content:

Photocopied letters and genealogical reports regarding the families of associates and relatives Of George Etter Miller, the bank teller murdered in 1859 in the Union Bank Building, Jackson, TN, which was robbed at the same time. Thomas L. Aud, compiled this material during his research for his book, *Gold is the Key*, which presents the story of these tragic events, the murder and robbery, which were never solved. The book also discusses the 1985 discovery of gold coins and their

This collection consists of two groups:

1. 20 photocopies of original letters by and to George E. Miller. The photocopies were obtained by the author, Thomas Aud, from Tommy Covington, Ripley, Mississippi Library.
2. Genealogy reports created by the author pertaining to the families of individuals who knew or were related to George E. Miller. He generated these reports using Family Tree Maker (version 2012).

Folder 35	Family Genealogy Report – Woodfolk, William Wade

[Author’s note for genealogy reports] – Numbers listed in superscript after a name in parenthesis indicate the previous generations, with “1” being the first person on the genealogy report. While all efforts were made for accuracy, the reader and researcher should verify all data. It is hoped that this information will generate more historical and family interest.
