

## Some Thoughts On The Passing Scene

### **Reaching The Lost**

Don't try to add men to the church. God will do this if the material is right. Don't beg people. If you once begin this way, when you cease begging, they will go pouting. Don't try to pull them in, for if you do, when you quit pulling, they will backslide. Don't fiddle people into church, for if you do, when you quit fiddling, they will fiddle out. Just teach the gospel plainly to people and keep right on teaching the gospel. Fill the honest heart full of truth and such will obey. Dishonest-hearted people the devil will keep and God can't reach. Teach the gospel and be happy; never quit.

### **The Paradoxical Commandments**

People are illogical, unreasonable, and self-centered.

*Love them anyway,*

If you do good, people will accuse you of selfish ulterior motives. *Do good anyway.*

If you are successful, you will win false friends and true enemies. *Succeed anyway.*

The good you do today will be forgotten tomorrow.

*Do good anyway.*

Honesty and frankness make you vulnerable. *Be honest and frank anyway.*

What you spent years building may be destroyed overnight.

*Build anyway.*

People really need help but may attack you if you help them.

*Help people anyway.*
