

ANGELS STUDY
(The good, the bad, and the ugly)

DEMONS or Daimon.

We have concluded that there are three errors when approaching demons: 1) to disbelieve in their existence. 2) To feel an unhealthy interest in them. 3) to believe in them but ignore what God has revealed about them.

Note, demons are not:

1. Fiction like some goblin or fairy
2. Spirits of Pre-Adamic man. Why? There were no Pre-Adamic men. Clear enough!
3. Wicked angels who joined Satan's rebellion.

Consider These:

1. Nowhere in the Bible did an angel ever possess a human being's body. Demons do!
2. Countless demons can possess one person. Luke 8:28-31.
3. Demons hurt those they dwell in. Matthew 17:15-18.
4. They desire a body to inhabit and do not want to be free of a human body. Luke 8:28-40.
5. There seems to be different kinds of demons. Or qualities of. Matthew 17:21.

Meaning of: The rule to determine the meaning of a word is: "That meaning given it by those whom it is addressed." Dungan, *Hermeneutics*.

Therefore, what was the meaning of demons at the time used in the First Century?

TBC

--In Him, Gary.
