EGO

Think of someone you know who has a big ego. Someone who always talks about himself. Someone who name-drops. Someone who wants to show his awards. Someone who can never admit he's wrong. Then ask yourself if you feel close to that person. Is he (or she) someone you want to be around? Want to work with? Want to spend time with? It is impossible to create a healthy workplace culture when arrogance is ever presence.

 making my steps secure.*
