### **People of God! "RAK CHAZAK AMATS!"**

Rak Chazak Amats is the ancient Hebrew war cry that was used before going into battle. God commanded Joshua to be **"strong and courageous"** and go into the land He had promised His people.

**Joshua 1:9 ~ "Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go." NIV**

Rak Chazak Amats means **"strong and courageous."** It is being tenacious and zealous in heart. It's facing off the enemy without shrinking back or running away. Rak Chazak Amats is moving forward with

a spiritual boldness and an audacity that only comes from knowing **who you are** and **who you belong to**.

The battle before us is a spiritual war. This is not a battle to be fought with force nor with the weapons of this world. Instead, we fight as overcomers, from a magnificent place of victory!

Jesus went to the cross with Rak Chazak Amats. With each step, Jesus set His face like flint towards Calvary. With courage and heavenly boldness, He took on the darkest battle in history. Jesus made a way for us to face our struggles and battles in the same way—with strength and courage! **RAK CHAZAK AMATS!**
