

## **WELCOME & SAFETY TEAM AFTER SERVICE PRAYER**

### **Brief Description of Duties for After Service Prayers**

At the end of each of the morning services, Pastor Rob invites anyone in need of prayer to come forward after the service. This ministry schedules two individuals (a man and a woman) to serve in this capacity.

It is your role to pray with people who come forward after the service. Men will pray with men and women with women, or both on duty can pray together with an individual that comes forward.

Always remember, you are an ambassador of Jesus Christ and a representative of Calvary Chapel Turlock.

Some other duties of the After Service Prayer's include:

1. Be willing to continue praying for individuals throughout the week(s).
2. Alert Pastor Rob or an Elder of any follow-up that may be needed.
