

WELCOME & SAFETY TEAM ROAMERS

Brief Description of Duties for Roamers

Mission: To provide a safe and peaceful environment using both passive and active measures to deter or minimize potential threats, disturbances or emergencies that will face the church and church members. You are the protectors of the flock and are instrumental in providing a sense of order for all who are attending.

Roamers are the first CCTurlock representatives that regular and new attenders see when they approach the church. You are identified by a bright safety vest and church badge and equipped with a radio so you can communicate with other Roamers and the Head Usher inside. Roaming is an important ministry and should be taken seriously. Always remember, you are an ambassador of Jesus Christ and a representative of Calvary Chapel Turlock.

Some other duties of Roamers include:

1. Watching the street and parking areas for potential issues or threats.
2. Practicing situational awareness.
3. Patrol around the building during church services.
4. Mid-week church activities will occasionally require Roamers to serve.
5. Walk elderly church members, and women to their cars.
