

SERVICE BRIGADE

Brief Description of the Service Brigade

1. The Service Brigade exists to provide for and fulfill the biblical ministry of “Helps” in obedience to Scripture (as outlined in 1 Corinthians 12:27-28) to the family of God at CCT, and as an outreach/witness to our community.
2. Our objective is to serve, minister to, and bless those in our church and community who are in need of help with physical home or other projects they are unable to accomplish on their own.
3. To provide opportunities for the men and women of CCT to volunteer, be mentors, teach their skills to others, and to disciple our volunteers (passing our love for God from one generation to the next).
4. Build relationships with each other in the Lord as we serve.

Servant Duties

1. Servant volunteers of any age or experience level are welcome to participate.
2. Fill out an online survey (Google Form) to give us information about your abilities, interests, etc.
3. Have a willing heart to serve & learn, to “mentor” others, and to share the gospel.
