

# Get Clued In!

## Episode #9 Clu Crew and The Case of the Disappearing Doughnuts

### In Today's Episode...

They learn what it means to love God's creatures, caring for them even when it's inconvenient. They also learn the dangers of selfish behavior and lying to get what we want.

### Follow the Clues...

Alongside every exciting mystery, the Clu Crew grow in their faith by discovering the truths inside Scripture. Did you spot the Bible verses they used to solve personal puzzles?

- Clair says that caring for others is important because they are God's creation: "...In wisdom have you made them all; the earth is full of your creatures." (Psalm 104:24)
- Bonnie explains that Jesus dying for our sins is what makes humans the most valuable of all created things! (1 John 3:1)
- Bonnie and Clair explain that those who love God will value the animals he's given us (Proverbs 12:10) because God Himself enjoys what He has made (Genesis 1:21).

### Solve the Mystery...

Today's adventure was full of lessons that teach us how to come closer to Jesus and live by His Word. Here are 3 discussion topics that will help connect the story to your daily life:

1. Bobby is frustrated that they have to "babysit someone else's kid." Have you ever been annoyed at having to help someone else? What can you learn from Bonnie's example?
2. Bella wanted the dog so badly she was willing to lie about taking him. Have you ever done something just because it's what you wanted? How can this be dangerous? How was Bella's situation dangerous because of her mom's choices?
3. Bella learned that loving something means doing what's best for it and not just what we want. Can you think of a way you can show love by doing something you don't really want to do?

### Grow Your Faith...

This episode has themes of selflessness, caring for God's creation, and loving others. Let's say a prayer, asking that God would guide us through our daily lives as we strive to take these themes to heart:

Dear God, you want us to be selfless because you don't want the people and animals you created to get hurt. And I know when I am selfish, it hurts *you*. Please help me to do the hard things and care for others even when it's not what I want to do. Because in this way, I want to love you and show that I am thankful for all that you've given me.
