ADVANCE COMMITMENT NIGHT

God is stirring something fresh in our church! We are seeing prayer culture deepen, young people are thriving, small groups are multiplying and our church is growing in spiritual maturity. But while this momentum rises, our physical space is holding us back and that's why we're stepping forward in faith.

We hold tight to the truth of the words we read in 1 Chronicles 29:9

"The people rejoiced over the offerings, for they had given freely and wholeheartedly to the Lord, and King David was filled with joy." (NLT)

That's our prayer, for deep roots, strong faith, and a future overflowing with impact. As leaders, let's **go first** and build what lasts!
