A Two-Year Initiative to Deepen Our Faith & Expand Our Reach

First Primary Goal

100% MISSION ENGAGEMENT

Ready for More is first and foremost a discipleship initiative. Our prayer is that every person who calls New Life Church home will take a **bold** step in their faith. In your prayer, service, and giving we want to see every part of the body walking strong in their fivefold gifting. If each of us commits to 100% of what God is asking us to do, we will accomplish all that He has in store for the future of our church.

Second Primary Goal

MISSION ADVANCEMENT

We are inviting everyone at New Life Church to join us on this journey God has prepared for us. During the **Ready for More** initiative, every dollar given will go to fuel our mission. This one fund initiative will help every gift go further and allow us to provide **MORE Ministry, MORE Reach, and MORE Impact.**

TWO YEAR GOAL = \$2.7 MILLION

A Defining Moment for Our Future

Ready for More isn't just about upgrades; it's about creating spaces where everyone is welcomed, discipled, and sent out to lead others to New Life. Like those before us, we are not building for today but for future generations. This isn't a remodel; it's a renewal of our mission. Join us as we pray boldly, give generously, and step into this God inspired journey.

MORE MINISTRY

\$1 Million

Fuel discipleship, prayer, and family ministries that are already transforming lives. This first portion simply continues our current ministry budget, funding what's already happening every week through your ongoing generosity.

MORE REACH

\$100k

Extend hope through local outreach, missions, and benevolence, meeting needs and building bridges in our community and around the world.

MORE IMPACT

\$1.6 Million*

We look to renovate and reimagine our Connect Room, kitchen, coffee bar, bathrooms, and key access points. This will ensure greater accessibility, connection, and care for everyone visiting our church. A brand-new outdoor play area with a commercial grade playground and firepit will help create a warm, welcoming environment for all ages and generations to come.

*The total cost for this project is \$1.9 million. With \$300k already set aside in savings, our goal is to raise the remaining \$1.6 million through Ready for More to bring this vision to life.

We invite you to join us on this exciting journey as we follow God's direction for our church and for you specifically. We are believing in God to do more than we can imagine, and trusting Him to make this dream become a reality!

Our Next Steps

1

PRAY FERVENTLY

Ask God to move powerfully in your life and the life of our church. Invite the Holy Spirit to stir your heart and lead you to trust Him more deeply.

2

COMMIT FULLY

Step off the sidelines and into the story. We're believing for 100% engagement, every person using their gifts, giving generously, and growing in faith.

3

GROW INTENTIONALLY

Ask God where He's stretching your trust, challenging your comfort, or inviting you to lead. We grow stronger when we grow together.

4

GIVE SACRIFICIALLY

Ask God to lead you in faith-filled generosity. Let your giving reflect your dependence on Him and your devotion to His mission.

A Message From Pastor Chriss

In 1945, Rev. A.J. Morrison took to the sidewalks of downtown Polson with a portable organ and bold faith. Driven by a desire to see a Spirit-led movement of God in the Mission Valley, he launched what is now New Life Church. Now it's our turn to say "Yes," because we're **Ready for More**.

God is stirring something fresh in our church! We are seeing prayer culture deepen, young people are thriving, small groups are multiplying and our church is growing in spiritual maturity. But while this momentum rises, our physical space is holding us back and that's why we're stepping forward in faith.

We hold tight to the truth of Paul's words in Colossians 2:7:

"Let your roots grow down into Him, and let your lives be built on Him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness."

That's our prayer, for deep roots, strong faith, and a future overflowing with impact. Let's build what lasts!
