

## Our Mission

ChristKids Preschool provides a high-quality early childhood education, where we nurture a love for Jesus, for others, and for learning.

## Our Purpose

To provide a varied and open Christian environment in which your child develops socially, emotionally, physically, and academically and begins to understand what it means to have a relationship with Jesus and to love others like Jesus.

## Our Goals

- to provide a warm, nurturing and happy place for each child's first school experience
- to give each child a great joy for learning
- to instill in each child a positive self-image and learn to be responsible for his or her own needs and desires
